As a second-year student pursuing a Bachelor of Management with a minor in Computer Science, I bring a unique blend of business acumen and technical proficiency ideally suited for the Director-at-Large position at the Students' Union Okanagan (SUO) at UBC Okanagan. My academic journey has provided me with a solid foundation in strategic planning, organizational behavior, and marketing principles, empowering me to offer innovative ideas and strategic insights to the SUO. Moreover, my current role as a resident advisor has enriched my leadership abilities, fostering skills in effective communication, team collaboration, and conflict resolution. Complementing these strengths are my soft skills, including adaptability, empathy, and teamwork, which I consistently employ to connect with students, cultivate relationships, and promote a culture of inclusivity within the SUO. With a passion for student advocacy and a diverse skill set, I am eager to contribute to the SUO's mission of enhancing student experience and community engagement.
