**SUO GENERAL
ELECTION 2024**

Director-at-Large Candidate

My name is Tejasva Beer Singh Bhatia, but my preferred name is Tejas Bhatia. I am standing for the position of Director-at-Large. I believe that if I receive the opportunity to work in this role, I will be able to implement changes based on students' feedback. I will act as a bridge between the students and the VP's and ensure that the students are being heard. Furthermore, I believe in transparency and accountability. If elected, I will provide regular updates on the progress of initiatives and projects initiated based on student feedback. By fostering a culture of openness and accountability, I aim to build trust between students and the SUO. Ultimately, my candidacy for Director-at-Large is driven by a deep commitment to serving the student body and advocating for their interests. With your support, I am confident that together, we can make meaningful progress towards a more student-centered university experience.
